DEDICATION

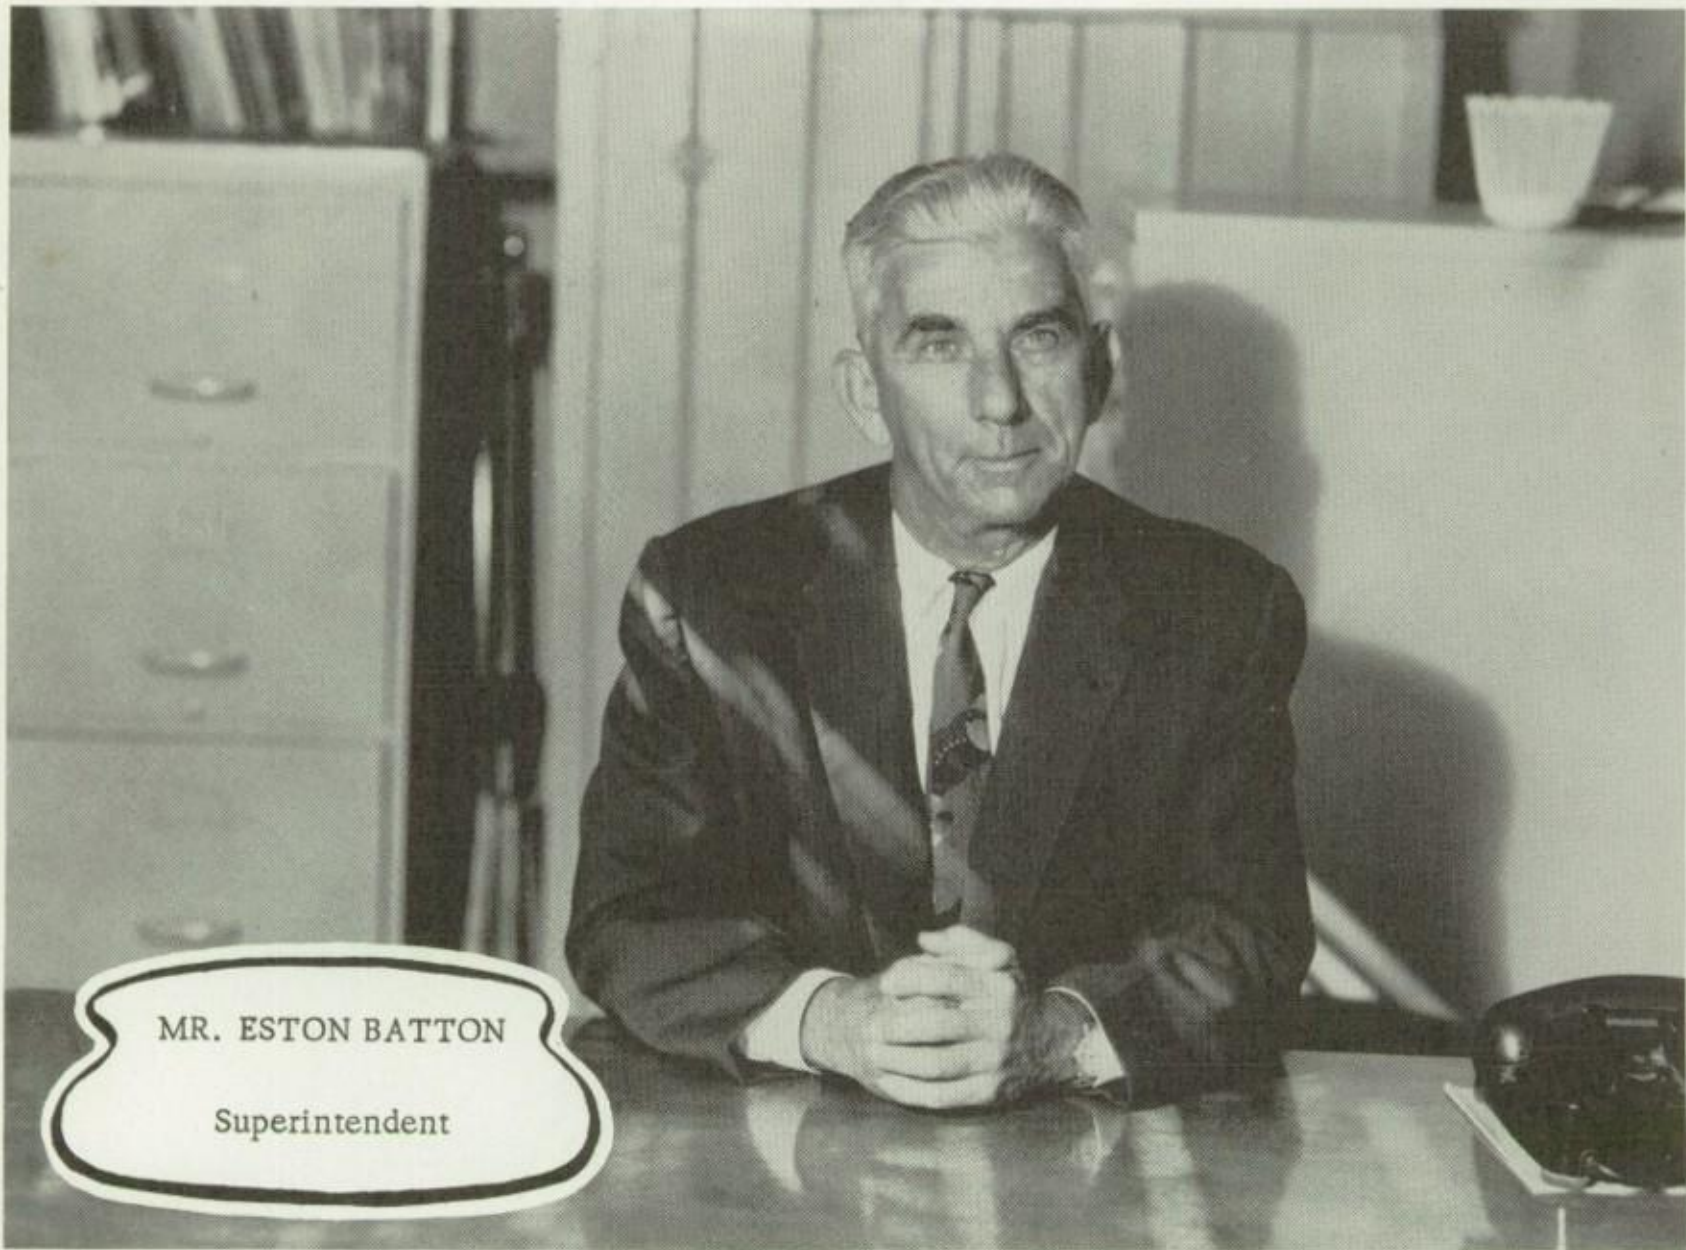

We, the Senior Class, dedicate the 1961 Cougar to our four high school teachers - to Mr. Batton, our superintendent - to Mrs. Eastland, our sponsor and counselor - to Mr. Callaway, our coach - to Mrs. Clark, our yearbook advisor. They have been a source of inspiration to our entire student body, and have been effective in giving every student greater opportunities for learning so that he will be better prepared to go forward into the future.

We wish to express our sincere and humble gratitude for their guidance and understanding when we were in need of it.

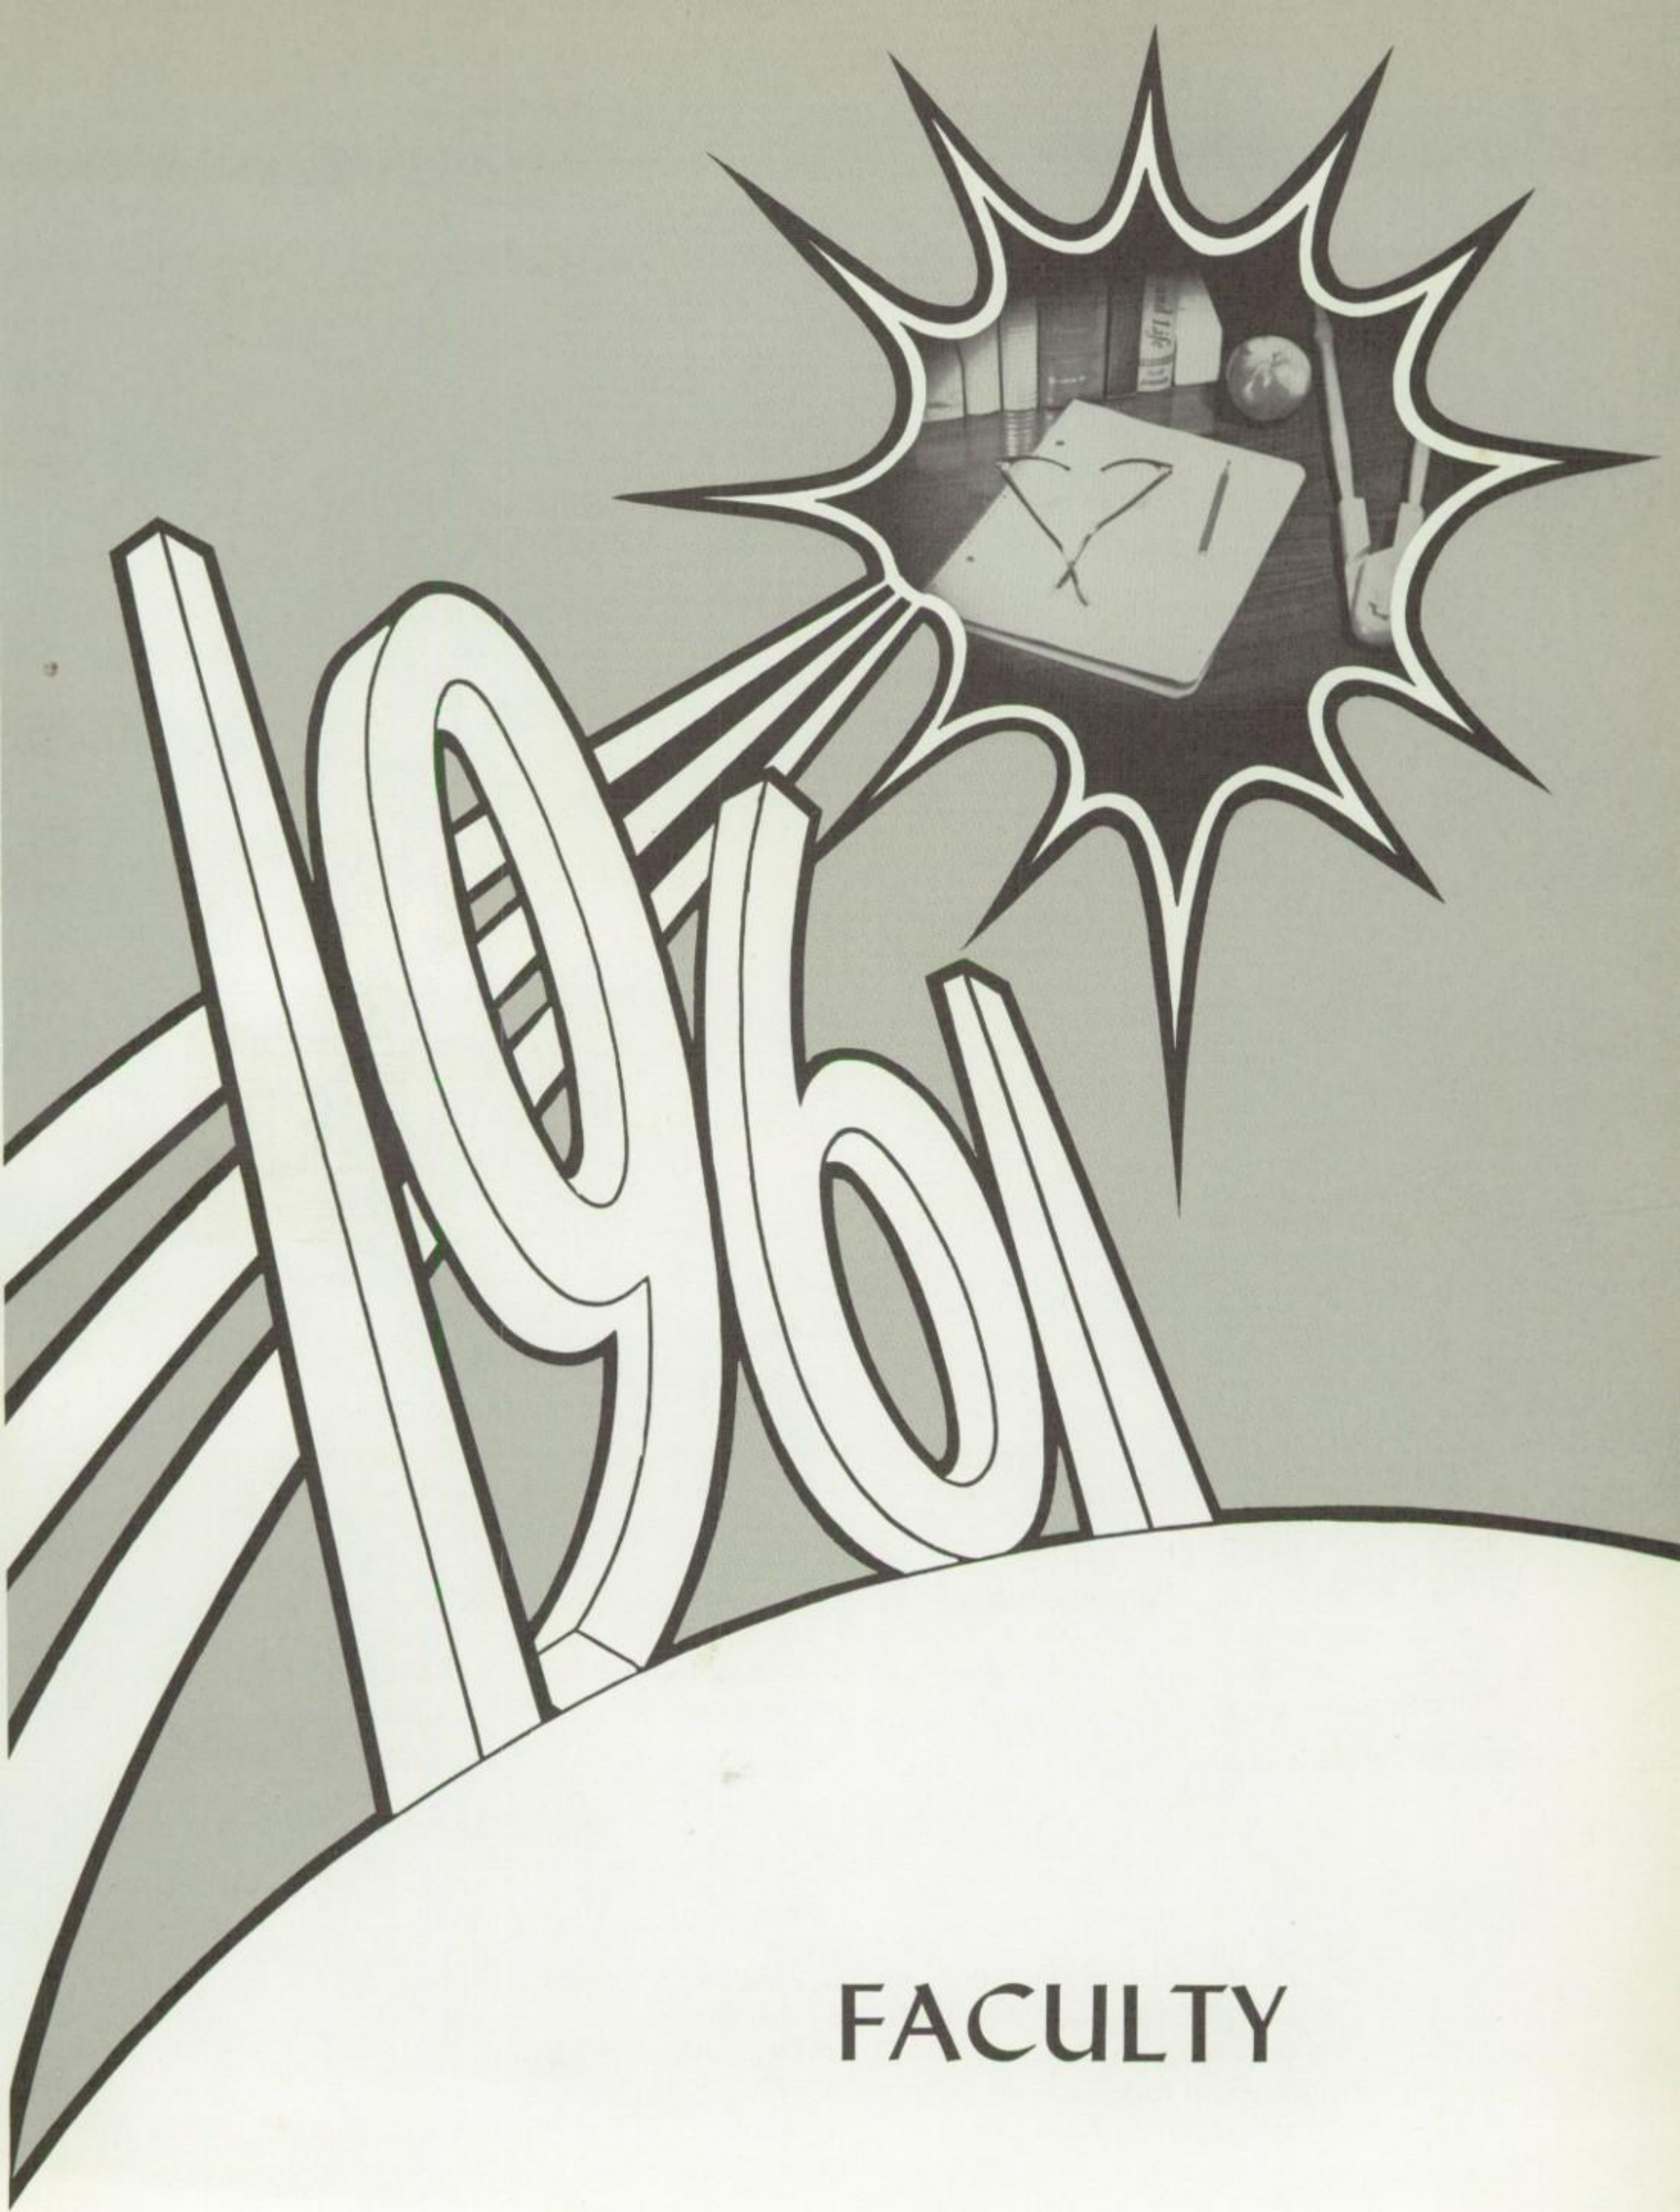

ADMINISTRATION

SUPERINTENDENT'S MESSAGE

To the student body I wish to extend my hearty thanks for your good attitude and school spirit, and to express my heartfelt belief that from this time on you will reflect the sincerity and adequacy of your training by becoming strong, honorable, wholesome, capable men and women who think, work, and live so that at all times you will exemplify the very best in human existence, and will compliment yourself, your family, your school, and your Creator.

To the faculty and to members of the Board of Education I wish to express my deep appreciation for the work that you have done and for the cooperative spirit in which you have done it, and to thank all of you for what, to me, has been one of the most enjoyable and for you, I trust one of the most profitable years that we have known.

CLASS WILL

We, the Senior Class of Aquilla High School in this year of 1960 to 1961, being in reasonably good health and of doubtfully sound mind, do hereby make this, our last will and testament.

I, John W. Baker, leave my ability to go to sleep in class to Lanny Steele. It won't take much effort on your part, Lanny, to acquire this ability of mine.

I, Stephen Chupik, will my ability to ask dumb questions in English and Civics to Carol Ondrej.

I, Peggy Faglie, will my achievement of receiving seventeen page letters from my "dearest beloved" to Troy Nichols, since you never receive any such letters.

I, Albert Pick, leave my ability to have flats without a spare to Jamie Callaway and to drive in the ditch to Sandy Sulak.

I, Louis Sebik, will my ability to play "lousey" and sometimes "good" basketball to Myra Pustejovsky.

I, George Stevens, do hereby will my ability to drive fast and reckless (so they say) to Martha Crow and Calvin Waller.

I, Beatrice Sulak, wish to leave my great ability of "sticking my foot in my mouth" every time I open it to Eddie Baker, also I leave my nickname "Table" to Marion Myers.

SENIOR MEMORIES

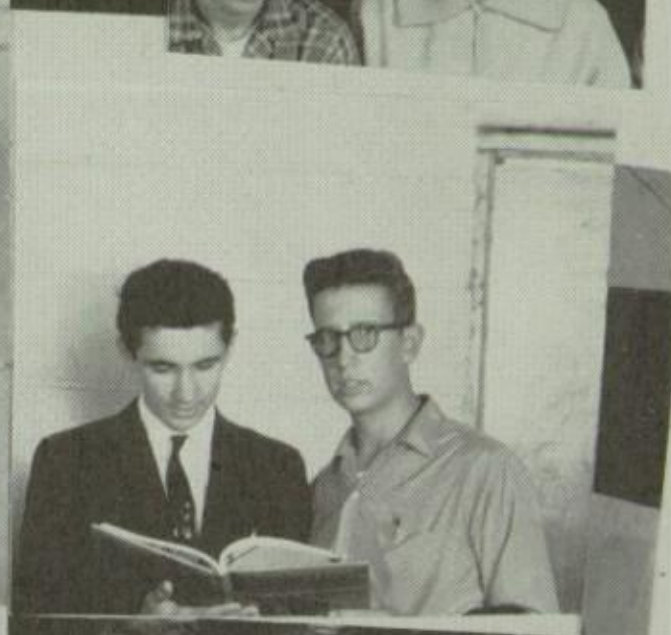

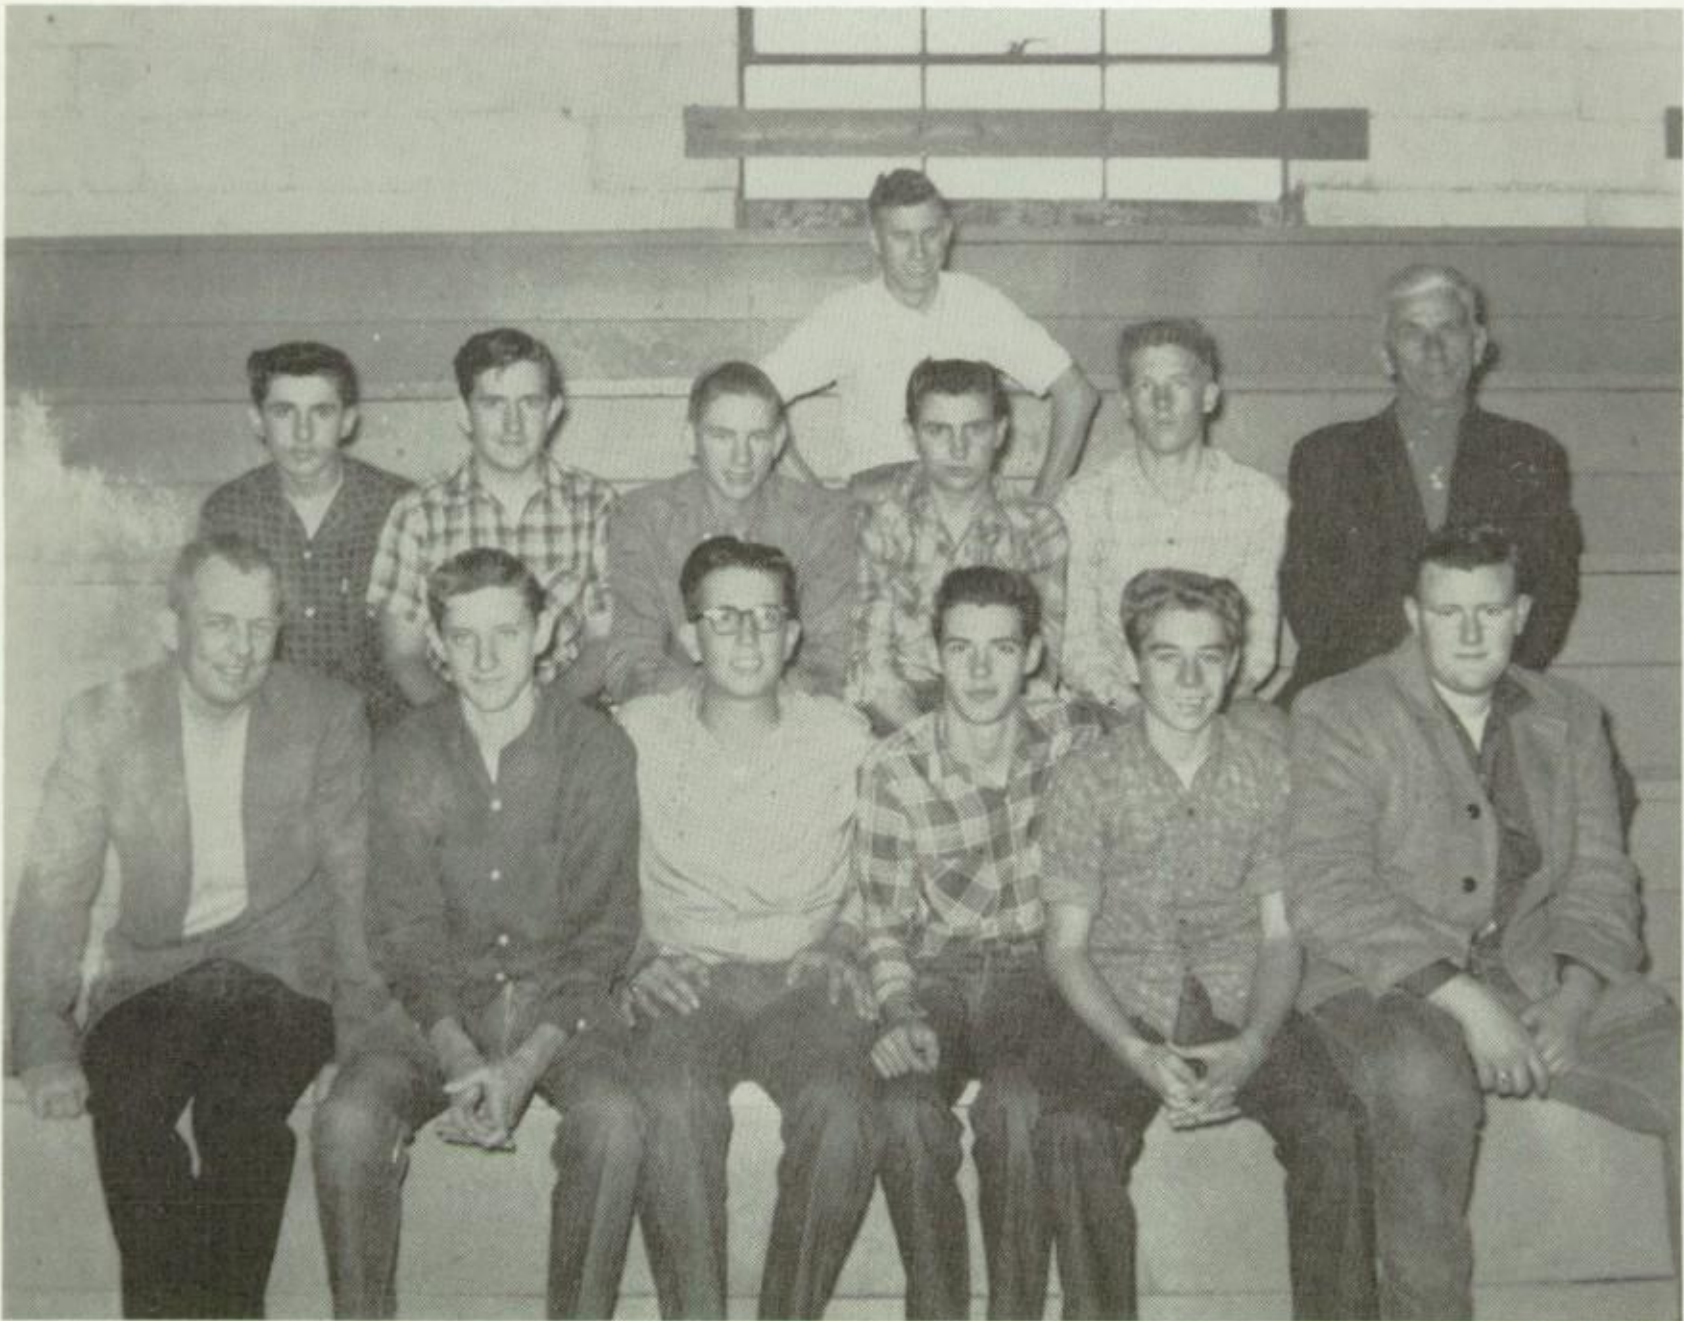

COUGARS OF 1961

We are tremendously proud of Mr. Callaway and his 1961 edition; of Aquilla Cougars. We are proud of the team spirit, morale, loyalty, and cooperation that caused a championship to come out of the battling efforts of all the boys that make up the team. The manner in which, on one occasion, Troy, Jamie, or Billy Gene pulled the team together, while on another occasion, it would be Louis, Stephen, Calvin, George, or Bob that furnished the spark that the team needed, has made an inspiration and, eventually, a tradition that will further serve to build the kind of school spirit of which we can all be extremely proud.

BOARD OF EDUCATION

Our sincere thanks to
each of you for unselfishly
thinking of our interests at
all times.
